**PROJECT TYPE:** SHORE STABILIZATION

**CLIENT:** CAMP LAUREL

**PROJECT NAME:** CAMP LAUREL  
SHORE STABILIZATION

**LOCATION:** MT VERNON, MAINE

**DESCRIPTION:** Camp Laurel in Mt. Vernon had shoreline erosion issues due to foot traffic and wave forces. Main-Land designed a shore stabilization and landscape plan including designated walkways, visual buffering and a battered granite block retaining wall. Main-Land obtained Local, State and Federal environmental permitting and coordinated with state agencies.
