PROJECT TYPE: SUBDIVISION

CLIENT: BOULDER  
CONSTRUCTION, LLC

PROJECT NAME: CARIBOU MOUNTAIN  
VIEW SUBDIVISION

LOCATION: BETHEL, MAINE

**DESCRIPTION:** Caribou Mountain View Subdivision is a 14 lot subdivision off Paradise Rd in Bethel. Main-Land performed a survey and natural resources mapping of the site and developed the subdivision plans, including the design of a 4,000 cubic foot road and stormwater infrastructure. Lots were planned so that designated downslope view sheds could remain clear in order to preserve views of the Western Maine mountains.
