PROJECT TYPE: STANDARD BOUNDARY SURVEY

CLIENT: ANGEL WRIGHT

PROJECT NAME: WRIGHT PROPERTY

LOCATION: NAPLES, ME

DESCRIPTION: Main-Land completed a standard boundary survey of a parcel of land, approximately 5 acres, on Perley Road in Naples. The project involved researching deeds, field location of boundary evidence and a foundation hole of a proposed house, along with preparation of a survey plan. The purpose of the project was to determine the boundary lines and their relationship to the proposed house location.
